

# NO WASTE METHOD FOR MAKING FLYING GEESE UNITS

(Makes 4 geese units)

NOTE: These instructions give the formula for making Flying Geese units and do **NOT** give a particular cutting size. Just remember that the width of the finished unit is always twice its height.

Size to cut squares:

**Fabric A:** Finished width of desired geese unit + 1 1/4" (1.25)

**Fabric B:** Finished height of desired geese unit + 7/8" (.875)

From Fabric A (the geese fabric), cut ONE (1) \_\_\_\_\_ square  
From Fabric B (the sky fabric), cut FOUR (4) \_\_\_\_\_ squares

With right sides of fabric together, lay two of the smaller squares on the larger square, as shown. Using a ruler, draw a light pencil line diagonally from top left corner to bottom right corner.

Stitch a scant 1/4 inch on both sides of the drawn line. Cut apart on the center drawn line.

**Note:** If your machine does not have an accurate 1/4 inch foot, draw your stitching lines using a ruler and pencil.

Press seams toward Fabric B. Draw a diagonal line on wrong side of smaller square. With right sides together, lay one of the marked squares on the sewn unit and stitch 1/4 inch on both sides of drawn line. Cut apart on drawn line. Repeat with the remaining unit and the remaining smaller square.

Press your 4 geese units open and use them in your favorite quilt blocks!
